June 10<sup>th</sup> 2009

**News Flash!!** The adventure playground is out of use. It needs repairs to make it safe. Please don't use until further notice.

## Cycling proficiency

During the week beginning Monday July 6<sup>th</sup> the children in Year 4 will be offered the opportunity to receive Cycling Proficiency training. The children will need access to a safe, roadworthy bike to take part in this activity. All bikes will be checked for safety.

If your child is in Year 4 please return the permission slip so that your child can take part in this activity. It is an ideal way for your child to learn about being safe when out cycling.

## Bikes and scooters on the playground after school.

We know that, now the summer is here many of you like to stay after school and let your children play on the playground. We don't want to stop this but, as we have had one or two accidents recently involving children on bikes, we have to say no bikes or scooters on the playground after school. There are times in the school day when children can use school bikes and scooters in the playground under teacher supervision. During Sports Week we are being lent scooters by the Sports Partnership so more children can enjoy this activity in school.

## Grab and Go Lunches

Watch out for these special lunches. During the last 4 weeks of term the children will be able to eat their lunches outside on those special days.. The Schools Meal service will provide picnic style lunches on those days. The dates will be announced soon.

## **Sports Day**

The week beginning June 29<sup>th</sup> is National School Sports Week. The children will be bringing home a pledge card to fill in saying what activity they are going to try to do that week.

As part of the week we shall be holding our Sports Day on **Tuesday June 30<sup>th</sup> in the morning** followed by a Picnic Lunch. Please bring your picnic and join us. You won't need a pudding as PFRS will be selling cakes and teas.

Should it rain we have a reserve date Thursday July 2<sup>nd</sup>.

## Parents and Friends of Ringshall School- PFRS

As a parent of a child at Ringshall school you are automatically a member of PFRS. There is now a new committee but new members are always welcome. If you wish to help or attend meetings please speak to any of the committee members. The next meeting will be on Monday June 29<sup>th</sup> at 2.30 in school.

### Committee:-

Olive Gibb-Chair  
Sam Banks  
Katie Wigglesworth  
Emma Fairnington

Richard Gibb  
Aggie Peek  
Joanne Wilsher  
Monica Gibbs

Lynne Golding

### The Parents and Friends Orchard and vegetable garden

PFRS have voted to support the schools project to provide wider opportunities for children to grow plants, vegetables and trees. We are designating an area as a orchard area and planting It in the Autumn. This will provide a long term, lasting project for the children to be involved in and enhance the environment around the school even further.

### ICT and Computers

Parents and Friends have also given the school the sum of £2000 towards updating the ICT provision in the school. This will help us achieve our aim to have an interactive whiteboard and desk top computers in every classroom for day to day use. We will also be able to increase the number of digital cameras available for the children to use.

### How good a baker are you????

On Sports Day, Tuesday June 30<sup>th</sup> at 10.15, PFRS will be running a refreshment tent offering tea and home made cakes. If you are able to contribute a home made cake(s) please speak to one of the committee. All money being raise by PFRS is going to very important causes in the school and enabling us to update the school so that your children have the very best learning environment possible.

### **Oak Class**

We shall all miss Mrs Golding very much when she leaves to be Headteacher at Whatfield School but we have been very lucky to be able to appoint Mrs Nicola Wilcox to teach Oak Class in September. Oak Class will in fact move to one of the newer classrooms, Rowan Classroom as the problems with heating in the new rooms have now been addressed. Mrs Wilcox will be in school on Transfer day when the children meet their new teachers. She will be in on other occasions too.
