African Village

Thanks to those of you who supported our assembly about the African village trip. Year 4 children had a great time, and learnt a lot about the difficulties in living in some parts of Africa. Sleeping in the huts was a memorable experience!

Trip to Cambridge.

Mrs Hopkins, Mrs Bradford and Miss Shipp along with staff and parents took Key stage 1 and 2 on an excellent trip to Cambridge. The only complaint I heard was that they didn't have long enough! It was a magical day studying rainforests and plants. Thanks to all who helped make it a successful event.

Please note the school re-commences on Tuesday 2nd June 2009.

Friday morning Drop in and Coffee

Friday 5th June at 9am

This will be the first drop in next half term. If you have any issues you wish to raise or concerns you wish to voice please come along.

Packed lunches and spoons.

Please don't forget to put a spoon in your child's packed lunch if they are having yoghurts. The kitchen do not have the right size spoons to fit in the pots!

Thanks to Mark Howard-Harwood, who gave freely of his time to show Oak class some fantastic artefacts and pictures from around Africa.

Plasters and Plimsolls

Please don't forget to send your child with plasters to cover earrings if they cannot be removed. We should not deplete our first aid stores by giving out plasters. Better still; take earrings out on PE days.

Also, we had an accident last week, which means we need to say to children that they should wear plimsolls in the hall until we can find a way to use bare feet safely. Please try to get some at half term, cheap ones will be fine!

New course for parents

Paper, paint and play. For parents and preschool children 2-4.
Five weeks starting Thursday 4th June 1-3pm

Many thanks for all your help and support over the last few weeks, I've enjoyed my time in charge, and as you know have been supported by a brilliant staff.

Have a lovely holiday week.
