Dear Parents

This term Year 4 have the opportunity to take part in a fishing club. We have the services of a fully qualified fishing coach who coaches the Suffolk Youth team. Last term year 4 enjoyed this opportunity and was able to take part in a competitive match against other schools at the end of term-we came 2nd.

This term we are offering this club, again to Y4 only, on Thursdays after school. Mrs Meldrum will walk the children to the lake across the field footpaths ready to start fishing at about 3.50. She will stay with the children at the lake until they are collected. We ask parents to collect their children at 5.30pm. The cost of this club is £2.50 per session. We are running the club until half term. There are toilets at the lake and a small indoor area should the heavens open.

Please complete and return the attached slip if your child wishes to take part.
